

 20MINS

WORKSHEET, PENCIL, VIDEO LINK <https://www.youtube.com/watch?v=4->

## England

Why do these pupils say they enjoy cycling to school?

## France

What are the different ways these pupils travel to school?

## Belgium

Does the weather affect how the pupils travel to school?

How do the pupils say cycling makes them feel?

Does anyone else cycle to school?

## The Netherlands

How far do the pupils cycle to get to school?

How many students cycle to school each day?

**Watch:** the video link will take you to a 15min film called 'Bike Friendly Cities—The Journey to School'

**Instructions:** Read the questions on the worksheet and look out for the answers as you watch!

**Discuss:** Was there anything that you liked about the way the pupils travelled to school?

& Why is it a great idea to travel *actively* to school?

The Active School Travel Programme is an exciting initiative for schools who wish to see more of their pupils choosing an active and healthy journey to school. The programme provides schools with the skills and knowledge to get more children walking, cycling and scooting as their main mode of transport to school.
