RESPECTIVE FUNCTIONS OF THE BOARD OF GOVERNORS AND PRINCIPAL IN RELATION TO ADMISSIONS TO THE SCHOOL

The Board of Governors draws up the admissions criteria and delegates to an Admissions Subcommittee, which includes the Principal, the responsibility for applying these criteria. Any reference herein to the term Board of Governors includes any Committee or Subcommittee appointed by the Board of Governors for the purposes of applying the Admission Criteria set out herein. A member of the school's secretarial staff will offer administrative assistance to the Admissions Subcommittee.

Applications to attend St. Ronan's College is interpreted by the Board of Governors as an indication that the parents and the child concerned accept and are in agreement with the ethos, philosophy and regulations of the school including any code of conduct of discipline policy of the school. Information in relation to these may be obtained from the school.

The Subcommittee on behalf of the Board of Governors will follow the outlined procedure. Parents should therefore ensure that all information pertaining to their child and relevant to the College admissions criteria is stated on the Transfer Application.

Notes of Information

- In accordance with DE regulations, all children resident in Northern Ireland at the time of their proposed admission will be selected for admission before any child not so resident may be selected.
- It is the sole responsibility of the parents/carers of prospective pupils to ensure that all information relevant to the Admissions Criteria of St Ronan's College is submitted on the Transfer Application.
- Parents/carers should use the Transfer Application to provide as much information as possible to assist the College in the application of its criteria. Parents/carers are strongly encouraged to use the relevant section of the EA Post Primary Application in order to provide relevant information which demonstrates clearly why the child is entitled to admission.
- The provision of inaccurate, ambiguous or misleading information provided on, or submitted with, any such application, may prejudice the offer of a place and may subsequently lead to the withdrawal of a place awarded to any applicant, who shall be deemed to have gained unfair and improper advantage by submitting such information.
- The College reserves the right to authenticate and seek verification of the content of any application. In the case of a surname, the final decision will be based on the surname shown on the birth certificate, or any subsequent court order. The failure to provide verifying documents according to the required deadline may result in the inability of the College to offer a place.

ADMISSION POLICY FOR SEPTEMBER 2021

(either in September 2021 or during the course of the 2021/2022 school year)

The Subcommittee on behalf of the Board of Governors will apply the criteria listed below to identify which children will be admitted to Year 8. In selecting children for admission, children resident in Northern Ireland at the time of their proposed admission to the College will be selected before any child not so resident.

CATEGORY B

All other applicants.

In the event of oversubscription within any of the above categories the following sub-criteria will be applied in the order below to each category beginning with Category A to determine which children should be admitted. Should places still exist, the process will be repeated for Category B until all places are filled:-

1. Those pupils whose Transfer Application expresses a first preference for St. Ronan's College and who have a sibling**, who is currently in attendance at St. Ronan's College.
2. Those pupils whose Transfer Application expresses a first preference for St. Ronan's College and who have had a sibling** previously in attendance at St. Ronan's College.
3. Those pupils whose Transfer Application expresses a first preference for St. Ronan's College and who are the first eligible*** child in their family transferring to second level education.
4. Those pupils whose Transfer Application expresses a first preference for St. Ronan's College and do not qualify in 1, 2, 3 above.
5. In the event of oversubscription then students will be admitted by a criterion that prioritises applicants where the letters of their name (as entered on a Birth Certificate) places them on a rank established by any order of all of the letters of the alphabet. Applicants will be selected for admission on the basis of initial letter of surname (as entered on a Birth Certificate) in the order set out below:

T L Z G X I F U S C J O P Y B M D Q H R A K E W V N

This order was determined by randomised selection of the letters of the alphabet. In the event of surnames beginning with the same initial letter, the subsequent letters of the surname will be used in alphabetic order. In the event of two identical surnames, the alphabetical order of the initials of the forenames will be used.

**The use of the word sibling covers children fostered and adopted and avoids having to define all various permutations of sibling.

***Eligible – The Board of Governors defines 'eligible' as fulfilling reasonable circumstances which place the child in Category A3. These might include a scenario whereby the family was resident at an address outside the

catchment area when the first child transferred, or that the first child, with a Statement of Special Educational Needs was placed in a school commensurate with their needs and by default could not attend St. Ronan's College. In either instance, verified documentation will have to be produced which authenticate the situation. The Board of Governors will reserve the right to determine 'eligibility'. It is the responsibility of the parent/guardian to inform the school, at the time of application of the above.

DUTY TO VERIFY

"The Board of Governors reserves the right to require such supplementary evidence as it may determine to support or verify information on any applicant's Transfer Application".

"If the requested evidence is not provided to the Board of Governors by the deadline given, this will result in the withdrawal of an offer of a place. Similarly, if information is supplied which appears to be false or misleading in any material way, the offer of a place will be withdrawn".

St Ronan's College criteria for any extra places made available by DENI for Admission into Year 13 (Sixth Form).

Department of Education (DE) may, on request, increase the number of pupils that the school can admit to its Year 13. Places that come available in this way will be allocated only to pupils who meet the basic eligibility criteria for Sixth Form study (as outlined above) and shall be allocated in the order determined by the criteria to be applied in the order set down.

1. Pupils who have most recently completed Year 12 in St Ronan's College.
2. Pupils from other schools where admission to an extra place at St Ronan's College has been agreed by DE****

****Parents should note how the Department of Education (DE), will, in response to a school's request, increase the school's enrolment number in order to allow an extra post-16 pupil to enrol. DE will first check whether there is another school or schools of a type suitable for that pupil within an hour's journey of where the pupil lives. If there is, DE will then check whether this other school or schools with places available may provide all of the post-16 courses that the pupil wishes to pursue. If these checks find no other suitable school can provide all of the post-16 courses that the pupil wishes to pursue - then DE will agree a school's request for an extra place.

What is a school of a type that is suitable for a pupil? To determine this, DE first considers all schools to be one of 4 types:

- (i) Denominational
- (ii) Non-Denominational
- (iii) Integrated
- (iv) Irish-Medium

A school requesting an extra place for a post-16 pupil will belong to one of these 4 types and DE will consider any other school or schools from this same type as suitable for the pupil. DE will also consider as suitable for the pupil any school from the same type of school that the child attended in Year 12.

St. Ronan's College does not operate a waiting list for students who apply for a place to any year group and are unsuccessful. Each application is decided upon at the time of receipt.
